Angels

When angels visit us, we do not hear the rustle of wings, nor feel the feathery touch of the breast of a dove; but we know their presence by the love they create in our hearts. Oh, may you feel *this* touch,—it is not the clasping of hands, nor a loved person present; it is more than this: it is a spiritual idea that lights your path! The Psalmist saith: "He shall give His angels charge over thee." God gives you His spiritual ideas, and in turn, they give you daily supplies. Never ask for to-morrow: it is enough that divine Love is an ever-present help; and if you wait, never doubting, you will have all you need every moment. What a glorious inheritance is given to us through the understanding of omnipresent Love! More we cannot ask: more we do not want: more we cannot have. This sweet assurance is the "Peace, be still" to all human fears, to suffering of every sort.
